

WAIKOLOA CANOE CLUB VISION STATEMENT

Approved March 4, 2015

The mission of the Waikoloa Canoe Club is to promote Hawaiian canoe paddling by educating our youth, our membership, and the community at large about Hawaiian culture, values, and traditions and to promote competitive and recreational outrigger canoe paddling and other water sports at Anaeho'omalu Bay in Waikoloa, Hawaii.

To ensure the club upholds this vision, there are certain obligations each member must adhere to. Below are the expectations that are fundamental for achieving these goals.

CODE OF CONDUCT

I will treat myself, fellow club members, competing club members, and the general community with respect, honesty, fairness, and aloha.

I will not engage in any violent behavior or abuse others in any way. This includes but is not limited to the use of profanity, vulgar language, racial slurs, or demeaning comments.

I will not act in such a way that will reflect poorly upon Waikoloa Canoe Club.

I will show respect for the environment – especially the ocean.

I will strive to achieve my personal best both physically and mentally and support others in this effort.

I will strive to promote the primary club purposes outlined in the club bylaws and mission statement.

I will participate in and support all club events and assist fellow members to the best of my ability.

I will strive to make all new members and guests of Waikoloa Canoe Club feel welcome and comfortable in our club.

I will respect the canoes and equipment and ensure their safety.

I will respect the rights and property of others.

I will pay my dues on time.

I will keep the best interest of the club and my crew before personal aspirations.

I will attend scheduled practices and notify my coach when not able to participate in practices.

I acknowledge that, having signed the Waikoloa Canoe Club Membership Application, I have agreed to adhere to the above rules at all practices, races, fundraisers, and other club events. I understand that I will be held accountable for my behavior and that any violations may present grounds for not making crew or suspension or expulsion from the club.

Should you have any questions or concerns, please feel free to speak to any Waikoloa officer. We strongly encourage an open line of communication within our club.
