OC-1 or OC-2 (circle one) Manufacturer: _____

Model: _____ Color: _____

All Waikoloa Canoe Club Members have the privilege of an annual rack space for their OC-1/OC-2, space permitting and priority established on the waiting list in accordance with the following terms and conditions:

1. To maintain a rack space, the member must be current on annual dues. Racks will be renewed annually. The rental period begins January 1 and ends on December 31 of the same year. Rack space is not transferable to a second party under any circumstance. If a canoe is sold, the new owner must apply for a position and is subject to any existing wait list. Subleasing is not permitted.
2. Racks are for active paddlers only, not for long term storage of canoes that are not being used. Depending on demand, the Board may require that inactive canoes be removed to make room for persons on the wait list. WCC Board retains the right to move the racks or re-assign spaces as needed to meet the overall needs of the club.
3. The use of the canoe is for the WCC member. If a WCC member allows other individuals to use his canoe on a regular basis, those individuals must pay membership dues and abide by all club rules. Non-members use of a canoe on a regular basis will be reason for WCC to terminate this agreement and remove the member's canoe.
4. Racks are for OC-1/OC-2 usage exclusively.
5. Rack rental fee is \$150 per year in addition to club membership dues. If fees are not received by February 15, the space will be considered forfeited, abandoned, vacant, and **reassigned**. The canoe and any other property will be removed. Notification will be provided by email or telephone three days prior to removal.
